

**CMR COLLEGE OF
ENGINEERING & TECHNOLOGY**

CMRCET STUDENT COUNCIL

All registered students of the CMR College of Engineering & Technology will be members of the Student Council.

The establishment of student council plays an integral and important role in the student community. Student council provides a representative structure through which students can debate issues of concern and undertake initiatives of benefit to the college and the community. It is important that they be given the opportunity to express their views on issues of concern to them in the college. It is equally important that they are listened to and encouraged to take an active part in promoting the aims and objectives of the college.

A Student Council is a representative structure through which students in the college can become involved in the affairs of the college, working in partnership with the management, staff and students for the benefit of the college and its students.

The present CMRCET Student Council comprises of the following members-
